FROM PRINCIPAL'S DESK

(Brief Overview of all events)

Namaskar! Warm greetings to all. I take great pleasure in presenting the Monthly Report of Y.V.N.R. Government Degree College, Kaikaluru, Eluru District, documenting its developments and achievements. In this report, I would like to present a brief summary of our achievements on the academic, co-curricular, and extra-curricular front in the month of July 2022. Seminars, Community service programmes and invited lectures are routine features of the YVNR GDC intellectual climate. This can be attributed to the dedication and team spirit of the members of the staff and students. The sole aim and ambition of the institution are to impart better and more acute knowledge to the aspiring student belonging to socially and economically downtrodden sectors of this area.

Dr. K.A. Emmanuel, SG Lecturer in Chemistry has obtained patent from Government of India. The title of the invention is Zinc Comprising Nanoparticles and related Nanotechnology under CHEMICAL field of invention. Smt. C. Gousiya Sulthana Choudri, Lecturer in Mathematics, Sri. M. A. Gaffar, Lecturer in Commerce, Sri. A. Suresh Kumar, Lecturer in English, and Ms. D. Lavanya, Lecturer in Economics were participated 5 - Day Training Programmes conducted by APCCE. Smt. C. Gousiya Sulthana Choudri, Lecturer in Mathematics, and Dr. M. Hari Prasad, Lecturer in History were participated in E-Quizzes.

Community Service Project (CSP) is successfully completed by the II and I Year students and Viva-Voce is conducted in the college on 13/07/2022 for II. A.Z.C, B.Z.C, and I. M.P.C. Department of History, Y.V.N.R Govt Degree College has conducted Alluri Sita Rama Raju's 125th Birthday Celebrations on 04/07/2022. The department of mathematics organized a guest lecture on Central differences for III B.Sc students by the resource person Sri. CH. S. Harnadh, Lecturer in Mathematics, V.V. Giri Govt. The Department of Economics conducted an awareness programme on the eve of 'World Population Day' on 11-07-2022. III B. A. History Students of Y.V.N.R Government Degree College, Kaikaluru visited field trip KOLLERU LAKE at ATAPAKA village on 13/07/2022. The department of Botany celebrated world Nature Conservation Day on 11-07-2022. Clean & Green Programme was conducted in the college on 14-07-2022. 20 students of II. B.A. were participated in this clean and Green Programme. Students and Faculty Exchange Programme between Y.V.N.R. Government Degree College Kaikaluru and Sir C.R. Reddy College, (Autonomous) Eluru from 14-07-2022 to - 20- 07- 2022. In Our college about 136 students are connected to Nine industries and the internship programme are running 10th August 2022. All the students are supervised by 13 mentors.

Time constraint prevents me from mentioning the numerous other achievements of the College. They, however, find a place in the detailed Monthly Report. On this note, I would like to conclude by once again extending my gratitude to all the staff Members including teaching and Non teaching and students, who have believed in our vision of progress and perfection.

Thank You!

Field Visit

13 July 2022

III B. A. History Students of Y.V.N.R Government Degree College, Kaikaluru visited field trip KOLLERU LAKE at ATAPAKA village on 13/07/2022. This field trip is very essential for the 3rd B.A. students in VI semester- (Cultural Tourism in Andhra Pradesh).

Kolleru Lake is one of the largest freshwater lakes in India located in the state of Andhra Pradesh and forms the largest shallow freshwater lake in Asia (with 245 km² of lake area and 302 km² of total Ramsar designated wetland), 15 kilometers away from the Eluru and 65 km from Rajamahendravaram, it is located between Krishna and Godavari deltas. Kolleru spans two districts – Krishna and West Godavari. The lake is fed directly by water from the seasonal Budameru and Tammileru streams and is connected to the Krishna and Godavari irrigation systems by over 67 major and minor irrigation canals. This lake is a major tourist attraction. Many birds migrate here in winters, such as the Siberian crane, ibis, and painted storks. The lake was an important habitat for an estimated 20 million resident and migratory birds, including the grey or spot-billed pelican (*Pelecanus philippensis*).
