**ABOUT THE COLLEGE**

Y.V.N.R. Government Degree College, Kaikaluru is a public funded educational institution. This college, popularly known as GDC Kaikaluru is located in the world famous wet land, Ramani, Kolleru Lake. The college has a unique logo with the slogan "Knowledge is Power". The slogan depicts the ancient adage the "Knowledge is Power". The logo is flanked by rising sun, Kolleru Lake, Kolleru fisherman, and Kolleru birds.

The required knowledge to cope with the current trends in the competitive world is being inculcated to the students at various levels by the institute. The students are benefited with the power to sustain in the community. The rising sun in the logo is the symbol of knowledge. Like the sun illumine the institute, provides the radiance of knowledge to the community. The other parts of the logo i.e., Kolleru birds and Kolleru fisherman are the representations of the community. All of them depict communal approach with enriched knowledge is reached to the stake holders in the institute.

The college was established in the year 1982. Sri Yenneti Raja Ramu Chandra, Yenneti Nagendraswami, Yenneti Sitla Devi (Former Education Minister, Govt. of A.P.) and Yenneti family members generously came forward and raised funds from the public for the establishment of this institution. The college development committee secretary Sri Gurajada Narasimha Rao coordinated the activities of the development committee and with in no time with the support of the state government under the Tenugu Gramam Kranti Patham, buildings were constructed. With the generous assistance of philanthropists and the wife of the village - Sri Kamini Vittal Rao, Sri Rama Rao, Sri Naidu, Sri Lakshmi Satyanarayana Rao; CPSC members - Sri Gadiraju Bhaskara Varma, Sri Poturi Vijaya Bhaskar, Sri B. Satyanarayana Murthy, Sri Kave Sani Babu, Sri B. D. Srinivas, Sri G. Chandra Mohan, Sri G. Udaya Sankar and Government funds, additional class rooms were built.

In the 2017, 2nd Cycle NAAC Accreditation, it is gratifying to see this college maintain a better position than the grade achieved in the previous first cycle by achieving a "B" grade with 2.81 CGPA in Government Degree Colleges. Achieving this grade involves the hard work of teachers and students, under the leadership of the then principal. That is why the proverb, "If people become sages if they work hard does not come with ease. Most importantly, due to the efforts of the college governing body CPSC, with the help of donors and financial assistance for the infrastructure, Rs. 2 crores was obtained in RJSA 2.0 by getting a B grade in the 2nd cycle. Class rooms and labs are already under construction under RJSA Funds and the lab computer lab is modernized with these funds. It is the result of the efforts of our CPSC.

**ABOUT THE WEBINAR**

Creativity, innovation, and entrepreneurship are important things of the 21st century. Creativity helps us to generate new ideas and products. Innovation is about making a process, that can convert invention, or gain idea to become more marketable product or service. Entrepreneurship is the inherent ability and willingness of individuals, on their own, to create, initiate and sustain existing organizations to generate and create new economic opportunities and to introduce their ideas in the market, in the face of uncertainty and other obstacles, by making investments in human, time and the use of resources in a business. So entrepreneurship is considered a key factor in economic growth. The webinar aims to understand and evaluate the roles of creativity and innovation in entrepreneurship.
